

5 Ways to Get More Testimonials

Proof sells harder than any copy you'll ever write. Here are 5 repeatable ways to pull it out of happy customers — with the exact scripts.

5 methods

Scripts + templates

Proof is the shortcut

A stranger saying "this worked for me" beats every clever line you'll ever write. Testimonials collapse skepticism and do the selling for you. Your job is to build a **system** that produces them on repeat.

The one secret across all 5: timing + ease. Ask at the **moment of a win** (when emotion is highest), and always hand them a **script** — the easier you make it, the more you get.

1

The Check-In Call

VALUE FIRST · HIGHEST-QUALITY PROOF

What it is. The moment someone gets their first win, hop on a quick call — genuinely to check in on them, not to extract. Lead with care. Then ask permission: "*Mind if I ask a few quick questions to help us improve?*" Record it (with their OK) and pull the gold quotes or clip it.

THE 5 QUESTIONS TO ASK

1. What made you join us — what was the pain or desire you were dealing with?
2. What made you choose *us* specifically to help with that?
3. What wins have you had so far? Tell me about them.
4. What would you say to someone on the fence about joining *[Program]*?
5. **Bonus (intel, not for proof):** "If we charged 10x the price — or you could wave a magic wand — what would you add to make it worth it?" Gold for improving your offer.

Catch the win, then level it up

2 The "About the Win" Text

FASTEST · RAW SCREENSHOTS CONVERT

What it is. The second you spot a win — a DM, a comment, a post in your group — reply fast and get the story in their own words. Then **screenshot the whole exchange**. Raw, real text screenshots out-convert polished graphics every time.

TEMPLATE — SEND THIS

"Yooo congrats on [win]! 🙌🙌 That's awesome. Mind telling me a bit about it — where were you before, and what changed?"

3 The Video Ask

10X THE IMPACT · GIVE THEM THE SCRIPT

What it is. Right after the win-text, ask for a quick video. Text is great; video is 10x. The trick: **hand them the bullets** so it's brain-dead simple — people say yes when there's zero thinking involved.

SCRIPT — SEND THIS

"Would you be up for a quick 60-second video? No need to script it — just talk to your phone and hit these 4 points:"

- *Why you joined*
- *How your experience has been so far*
- *Any wins you've had*
- *What you'd say to someone on the fence*

Make proof a value exchange

4

The Locked Bonus

A TRADE, NOT A FAVOUR

What it is. Create a genuinely juicy free bonus and **lock it**. The "key" to unlock it = they film the video (same 4 bullets as Method 3). Now getting a testimonial isn't a favour you're asking — it's a fair trade they *want* to make.

FRAME IT LIKE THIS

"🔒 Want [Bonus Name] free? It's yours — just send us a quick 60-sec video hitting these 4 points: why you joined, how it's going, any wins, and what you'd tell someone on the fence."

5

The Win Wall

SCALES PAST 1-ON-1 · BUILDS CULTURE

What it is. Make sharing wins a ritual. A dedicated "**Wins**" **channel or thread** in your group/Discord, plus a monthly prize or spotlight for the best one. Then screenshot every post. You harvest a wall of proof at scale — and a winning culture that makes more people take action (and post their own).

PROMPT THE COMMUNITY

"🏆 Drop your wins below! Best win this month gets [prize / featured on our page]. Big or small — screenshot it and post it 📌"

WHAT MAKES A TESTIMONIAL ACTUALLY CONVERT

- **Specific** — real numbers, real details. "Made \$1,240 in 9 days" beats "great program."
- **Before → after** — the transformation is the whole story.
- **Crushes an objection** — "I thought it'd be too technical for me — it wasn't."
- **Real** — real language from real people, honest results only. Never fake it.
