The Funnel Kit

The main funnel types — mapped to your price point. Pick the shape that fits the offer, then build it page by page.

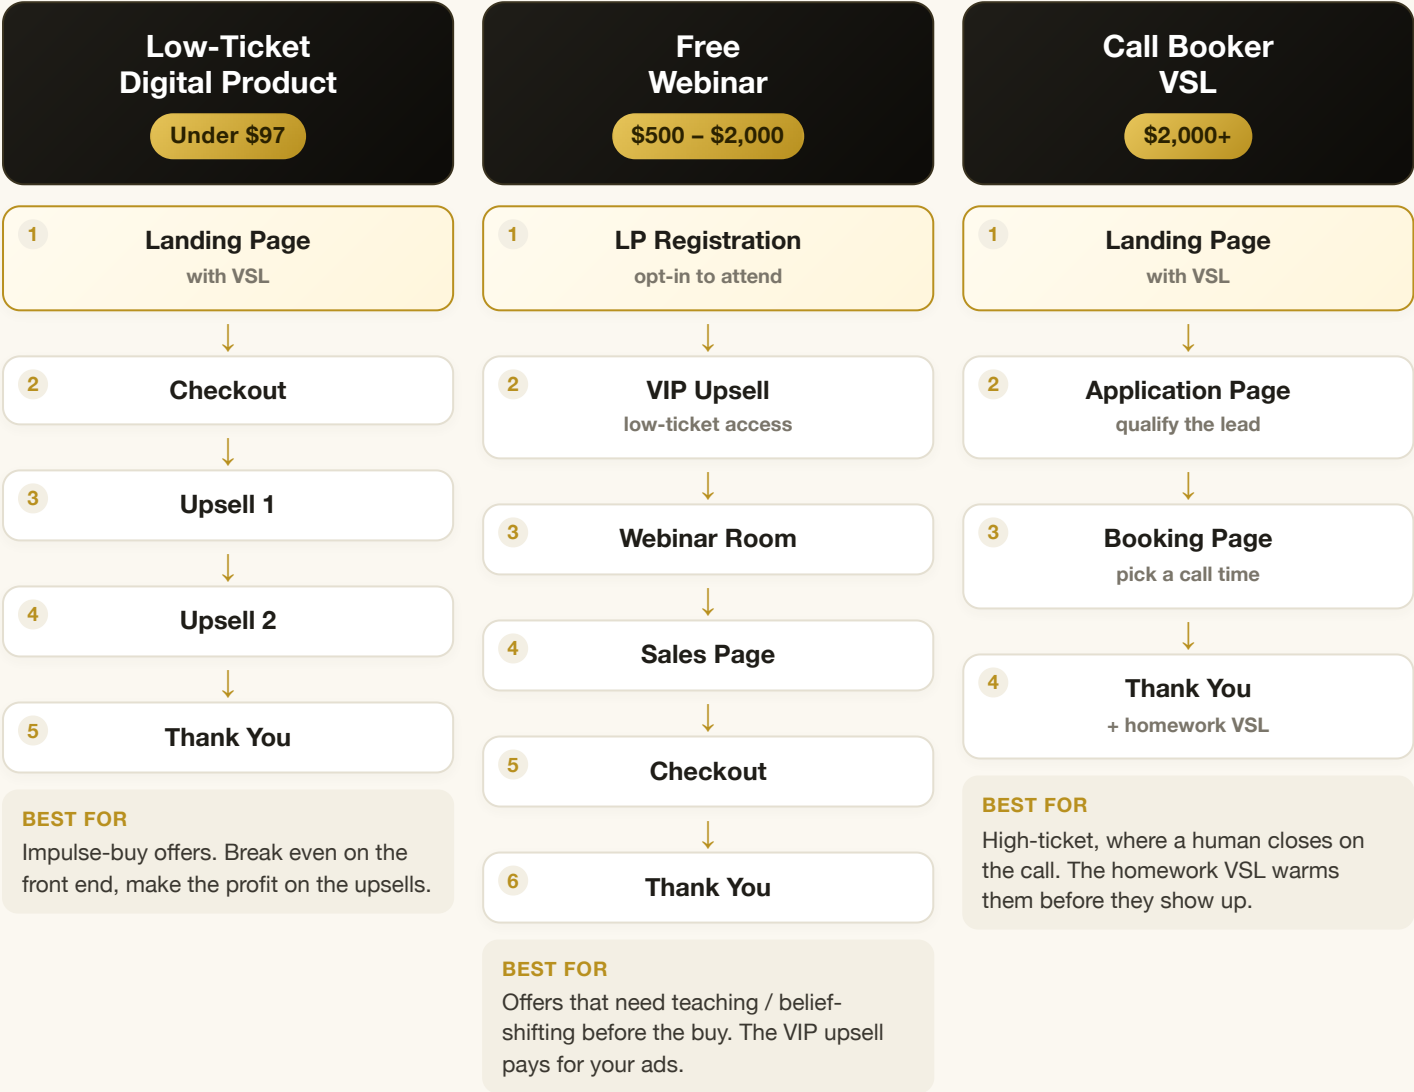

3 core funnels

Matched to price

Pick the funnel that fits the price

A funnel is just a path. The higher the price and the bigger the leap of faith, the more steps you need to build trust before the ask. Match the shape to the price point — then build it page by page.

How to choose → Under \$97 → **Low-Ticket** (sell now, profit on the upsells). \$500–2k → **Free Webinar** (teach, shift beliefs, then pitch). \$2k+ → **Call Booker** (a human closes on the call).

Start with the one that fits your offer today. Get it profitable, then add the next.
