

THE MILLION-DOLLAR VSL WORKSHOP

The Funnel Kit

The main funnel types — mapped to your price point — with a page-by-page wireframe of every funnel. Pick the shape, then build each page.

3 funnels

Every page wireframed

Pick the funnel that fits the price

A funnel is just a path. The higher the price and the bigger the leap of faith, the more steps you need to build trust before the ask. Here's the overview — then each funnel is wireframed page by page.

How to choose → Under \$97 → **Low-Ticket** (sell now, profit on the upsells). \$500–2k → **Free Webinar** (teach, shift beliefs, then pitch). \$2k+ → **Call Booker** (a human closes on the call).

The Low-Ticket Funnel

Under \$97 **Best for:** impulse-buy offers — break even on the front end, profit on the upsells.
